

Madame Yvonne Ng

Bonjour!

Hello! My name is Ms. Yvonne and I am going to be the French teacher on Saturday mornings at Mastermind Montessori School!

I am an Ontario Certified Teacher, and I have had experience in working with children of various ages. At the University of Toronto, I completed a minor in French as a Second Language, and I also received a Language Citation in French. Following that, at Queen's University, I completed my Bachelor of Education, with French as a Second Language as one of my teaching subjects.

French is used in many parts of the world and is also an official language of Canada. French is a wonderful language to learn, and it is an exciting opportunity to be able to share this and teach this to children.

~Ms. Yvonne
