Ms. Angela Chen

你好[Ni Hao]/Greetings

I'm Ms. Angela Chen and I am the Mandarin Chinese teacher at Mastermind Montessori.

I am currently an International Language teacher with the York Region Catholic District School Board, teaching Chinese from K-8 since 2007.

I have a great passion for the Chinese culture and seeing students of any age grow in their knowledge and enthusiasm for Chinese Language and culture. My enthusiasm and creativity enriches my lessons as I constantly update my lessons to make them relevant to my current students! I believe that learning should be fun and exciting for the students.

I hope to inspire life-long interest in Chinese Language and culture with you soon!
