

Ms. Belinda Wong

Hello!

I am Ms. Belinda Wong and I am going to be the Phonics teacher at Mastermind Montessori School! I graduated from Ryerson University with a degree in Early Childhood Education with Honours.

Through my years of schooling, I have planned and implemented many age appropriate activities for children ages 0-8. My recent teaching experience was in a TDSB Full-Day Learning Kindergarten classroom. I worked collaboratively with the teacher and the ECE to plan and implement creative play-based activities that follow the Ontario curriculum.

The formative years of children are so crucial to their development. I believe that every child is unique and should be encouraged to do their best. See you soon!
