

Senora Betty Pinas Marin

Hola!!

Hello, my name is Ms. Betty Pinas Marin and I am the Spanish teacher on Saturday mornings at Mastermind Montessori! I graduated from Enrique Guzman y Valle University in Peru with a degree in Spanish Language and Literature and I have been working with children in a variety of settings for over 10 years. I spent the last 2 years teaching Spanish for the International Languages Elementary Program in TDSB. Also, I have had experience teaching History and Geography to students of various ages.

I look forward to teaching children just how fun and interesting Spanish really is!

Hasta Pronto/See you soon!

~Ms. Betty
