

SUNSCREEN POLICY

Mastermind Montessori Schools is aware of how damaging UV rays from the sun can be to your child's skin. During the summer months or when necessary, Mastermind Montessori will apply sunscreen approximately 15 minutes before going outside. Mastermind Montessori requests that parents supply one bottle of sunscreen with their child's first and last name labeled on the bottle. Parents will be informed when a new bottle is needed.

If your child has an allergy to sunscreen a doctor's note must be provided and will be attached to this policy and kept in your child's folder.

I, _____ give Mastermind Montessori Schools permission to apply sunscreen that I have provided for my child and agree to the above terms stated in this policy.

Child's name: _____

Parent/Guardian's signature: _____

Date: _____
